Dear Sir,

REPORT TO AIRPORT POLICE STATION

On 27 February 2018, we along with our children were forcibly evicted from our house in Lyford Cay by Mr. Jack Davis, a bailiff, assisted by Mr. Peter Green, a locksmith, with the police called in advance by the bailiff to attend the eviction.

As a result key principles of the Human Right Convention, the right to privacy and respect for personal property, were violated by the conduct of both the bailiff and the locksmith. As we have mentioned in two written Notices to you dated 16 and 22 February 2018 powers of entry and seizure were abused being manifestly unjustified in the absence of any objectives that could be met by intrusive means.

Also, the powers of entry and seizure were used unfairly, irresponsibly, without respect for people who occupy premises being evicted with unlawful discrimination, harassment and victimisation. The equality of opportunity between people who share a relevant protected characteristic and people who do not share it was not advanced.

On 4 March 2018, I reported to the Airport Police Station assaults against our son, a 14-year-old boy, committed independently by both the bailiff and the locksmith.

On 4 March 2018, I also reported a breach of the peace during the course of the eviction where harm was actually done to a person and a person's property in his presence as a result of the said assaults on the child.

Also, I asked the police officer, identification number 2962, to whom the report is made, to produce a copy of the report and contact us if the police want to collect the facts in issue, including the video-taped evidence, and circumstantial evidence of relevant facts.

We kindly ask you to assist us in the obtaining of a copy of the report mentioned above. In the meantime, we remain Yours faithfully,
